

## 電子發票載具設定

Step 1 使用「會員帳號」或「車、證號」登入後，點選右上方「車輛服務設定」按鈕

The screenshot shows the Far Eastern Express (遠通電收) website interface. In the top right corner, there are links for '會員帳號登入' (Member Account Login), '服務據點' (Service Points), and 'English'. A red dashed box highlights the '車輛服務設定' (Vehicle Service Settings) button, with a yellow arrow pointing to it. On the left, the user's eTag balance is shown as 299 元. The main content area includes sections for 'eTag用戶' (eTag User), '建議儲值金額' (Recommended Top-up Amount) of 900 元, and '本月已產生通行費' (Monthly Toll Generated) of 0 元.

Step 2 點選「發票載具維護」按鈕

The screenshot shows the same Far Eastern Express website interface, but with the '發票載具維護' (Invoice Carrier Maintenance) button highlighted with a red dashed box and a yellow arrow. This button is located in the top navigation bar, next to '電子發票查詢' (Electronic Invoice Query) and '帳戶終止' (Account Termination). The '帳戶啟用時間' (Account Activation Time) is shown as 2012/08/13. The 'eTag用戶' (eTag User) section on the left still shows a balance of 299 元. The '建議儲值金額' (Recommended Top-up Amount) is 900 元, and the '本月已產生通行費' (Monthly Toll Generated) is 0 元.

**Step 3 請輸入您個人資料進行驗證(非 eTag 用戶請輸入雙掛號帳單上遠通載具號碼)**

※公司戶無法使用此功能

The screenshot shows the Yantong Electric (遠通電收) website. At the top right, there are links for '會員帳號登入' (Member Account Login), '服務據點' (Service Points), and 'English'. The main navigation bar includes '電子發票' (Electronic Invoice). A modal window titled '身份驗證' (Identity Verification) is displayed in the center. It contains the text '請輸入欄位資料以進行身分驗證' (Please enter the field data for identity verification). Below this is a red-bordered input box with the placeholder text '手機號碼/電子信箱/遠通載具號碼擇一輸入' (Enter mobile number, email, or Yantong carrier number). Underneath the input box, it says '注意事項:' (Notes:) followed by a bullet point: '● 非eTag客戶請依雙掛號帳單之遠通載具號碼查詢。' (For non-eTag customers, please search for the Yantong carrier number on the double-registered bill). At the bottom of the modal are two buttons: '關閉' (Close) and '送出' (Submit).

**Step 4 資料驗證正確後，即可進入設定頁面進行載具修改**

The screenshot shows the '發票載具維護' (Invoice Carrier Maintenance) page on the Yantong Electric website. The page has two tabs: '電子發票查詢' (Electronic Invoice Query) and '發票載具維護' (Invoice Carrier Maintenance). The '發票載具維護' tab is active. The page content includes: '發票捐贈設定:' (Invoice Donation Settings) with two radio buttons: '捐贈，捐贈單位為:' (Donation, donation unit is:) and '不捐贈' (No donation). Below the first radio button is a text input field and a link labeled '捐贈碼清單' (Donation code list). '發票載具設定:' (Invoice Carrier Settings) with a label '您的作業處理費發票存放在:' (Where do you store your processing fee invoices?). Below this is a dropdown menu with '遠通載具' (Yantong carrier) selected. At the bottom, there is a '注意事項:' (Notes:) section with a bullet point: '● 如您欲將遠通載具之發票歸戶至共通性載具(手機條碼/自然人憑證)，請點遠通載具歸戶連結。' (If you want to transfer Yantong carrier invoices to a common carrier (mobile barcode/natural person certificate), please click the Yantong carrier transfer link). At the bottom of the page are two buttons: '取消' (Cancel) and '確定' (Confirm).
